

Remarks

Claims 51-71 are pending in the subject application. Applicants hereby reaffirm the election to prosecute the invention of Group I and SEQ ID NO: 34, without traverse. By way of this amendment, claims 72-89 have been added (support for the new claims may be found, for example, in previously presented claim 50 and at pages 23 and 47). Claims 51-71 have been canceled to align the claims with the elected invention. Accordingly, claims 72-89 are currently before the Examiner and read on the elected invention. Favorable consideration of the pending claims is respectfully requested.

Applicants believe that the pending claims are in condition for allowance and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,
